

Sample Specs

Item Code:

Material:

MetalCast

Category:

Patterns, Custom Color

Description:

MetalCast® is a metal finish cast face with a gypsum composite backup. It is buffed to a lustrous sheen. It is usually more economical than conventional metal castings. Elements are custom manufactured into any intricate shape with precise detail.

Surface:

EB Leaf pattern. Based upon an Edgar Brandt design.

Finish:

Bronze with Brass Highlights

Applications:

Walls, Decorative Interior

Notes:

Patina finish is the result of natural metal oxidization and not a paint application. Color variations will occur within the same part, as well as between different parts.
